EXECUTIVE SUMMARY

Baby Signs Too, LLC is a Small Disadvantaged Business (SDB) and is federally certified as an Economically Disadvantaged Woman-Owned Small Business (EDWOSB). We are also certified by the state of California as a Small Business. We specialize in professional training and resources for parents, early childhood professionals, and child and youth service agencies. Development and successful implementation of our programs span over 30 years. Our programs are based on government-funded research and are designed by child development experts to ensure the best overall results. We offer Government, private non-profit and public sector services around the world. The Baby Signs® Program is dedicated to empowering families and professionals to foster early communication skills, creating a strong foundation for a lifetime of successful communication and learning.
